Tik Tok Challenge

A recent challenge on the social media platform, TikTok, encourages vandalism of public spaces, specifically school restrooms. This has resulted in damage and theft in multiple school restrooms in our building and across the district. Disciplinary steps will be taken for any student involved in vandalism. Students will face potential criminal charges and school discipline up to and including suspension as well as restitution for damaged property.

Leaving Early Procedures

If your student is leaving early for the day or has a doctor's appointment, please send a note in with your student. This is extremely important as it helps to ensure your student will be signing out promptly at the specified time. Parent notes are to be dropped off by the student at the attendance office at the beginning of the day. We do understand that sometimes you will not know an appointment time until that day. The Attendance Office as well as teachers will not accept a text for your student to leave. A note, or phone
